

Sequim Irrigation Festival

Innovative Reuse Showcase and Contest

The theme for the Innovative Arts and Crafts Fair is Reuse, Recycle and Repurpose. In this vein, we are holding a contest for community members who have created items in one of four (4) categories:

- Wearable
- Functional
- Decorative
- Kids 15 and under

If you have items that you have created through reuse, recycle and/or repurpose we encourage you to display your items at the Innovative Arts and Crafts Fair. The Sequim Irrigation Festival Innovative Arts and Crafts Fair will be held on Friday, May 5th through Sunday, May 7th. Items will be on display in our Showcase tent located on the Civic Plaza during the Arts and Crafts Fair. The voting/judging will be people's choice. Prizes will be awarded for the top vote getters in each category.

Bring your items to the Innovative Arts and Crafts Fair on Friday, May 5th between noon and 8pm..

Items must be picked up between 3pm and 5pm on Sunday, May 7th.
